

# A COMPLETE HEALTH SYSTEM

Get better absorption of nutrients and supplements.

Detoxifies your water to an unsurpassed degree; bacteria, poisons, chlorine, chloramine, fluoride, heavy metals, volatile organics, trihalomethanes, arsenic...

The first water natural water ionizer laboratory tested to infuse amounts of beneficial H<sub>2</sub> hydrogen gas infusion. (Almost 4 times the H<sub>2</sub> of a \$4000 electric water ionizer)

UltraStream also infuses beneficial magnesium; something impossible in an electric system. We all need magnesium and it's absorbed better in water than food.

**"Delicious convenient alkalised water straight from the tap, no need to say anything more"**

Julian (verified owner)

**"I've been drinking this water for a year now and it's certainly been the healthiest, happiest, strongest year of my life so far!"**

Keegan Smith,  
Head of Strength and Power with 2013 NRL  
Premiers - Sydney Roosters

AU University tested, EU Safety certified.

Easy to use, maintain and install.

The UltraStream can be attached to your tap or cold water line in minutes. It can also be easily installed undersink when combined with an undersink kit with our special vented faucet (sold separately).

**ultrastream**®

Next generation natural  
alkaline water filter system.

## The easiest way to better health through pure water

### It's a water filter

With the best filtration media in the world. All media tested and approved. University tested for the life of the filter; 3000 litres.

### It's an antioxidant producer

Supplying 'on tap' antioxidant negative ions in every glass.

### It's a natural water alkalizer

Donating beneficial magnesium and calcium in the best, most available liquid form.

### It's a hydrogen infusing system

Makes hydrogen-rich water. Hydrogen has over 1000+ scientific studies indicating its beneficial effects over a huge range of health conditions.

- 3 Year Warranty, conditions apply.
- No electricity and wastes no water.
- You'll just love the silken smooth taste!
- Designed in Australia and made in the USA.
- Ultra simple cartridge replacement.

Two colour schemes available to suit any kitchen

Silver/Black or Porcelain White.

\* calculation based on 3000 litres.

It's not just what UltraStream takes out, it's what it puts in that makes it so powerful!

### UltraStream takes out...

More harmful contaminants than ionizers ten times the price, including bacteria, pathogens, pesticides, heavy metals and fluoride as well as unpleasant chemical tastes and odours such as chlorine.

**Pesticides - 99.99%**

**Chloramines & Chlorine - 99%**

**Heavy Metals - 98%**

**Fluoride - 80%**

### UltraStream puts in...

All the pH balancing alkalinity, energy-activating ions and free-radical removing anti-oxidants your body needs for ultimate health in a completely natural, bio-ceramic way.

**Hydrogen Gas - 10,000 times**

**pH - 1,000 times**

**Magnesium - 2.4 times**

**Calcium - 1.7 times**

### How UltraStream works

UltraStream's unique, scientifically-proven technology incorporates no less than 9 layers of NSF approved filtration and energising media working in unison to deliver ultimate water purity and ultimate water empowerment.

#### CATALYTIC CARBON

The best carbon available in the world. Filters more carcinogens, pesticides, chlorine, chloramines and volatile organics far more efficiently.

#### VIRUS GUARDIAN

Cutting edge filtration technology takes out submicron pathogens and inorganic contaminants through electro-adhesion and ion exchange.

#### O-DOBI BEADS

Increase pH, negative ORP, adds magnesium and calcium, and donates infused hydrogen.

#### TOURMALINE

Energizing and softening the water with Far InfraRed energy.

#### MAGNETIC FIELD

Using special ceramic magnets we stabilise and soften the water.

#### KDF-85

Patented Kinetic Degradation Fluxion Media for heavy metal neutralising, hard water reduction and bacteria control. The best media of its type in the world.

#### CRYSTAL QUARTZ

Softens your water and stabilizes alkalinity.

#### FLUORIDE BARRIER

US approved fluoride reduction media.

#### FILTER PAD

Removes sediment and bacteria to 1 micron

### A new water filter, alkalizer and H<sub>2</sub> system with every filter change!

Because all of UltraStream's filtering, energizing, alkalizing and ionizing takes place within its screw-in replaceable cartridge, it means you get a new water alkalizer, filter and H<sub>2</sub> system with every filter change! (ie every 3,000L).
